

Summer Intensive Room and Board

Our 2018 Summer Intensive offers residential housing during weeks 3 and 4. Female students ages 11-15 will enjoy comfortable accommodations at Manor College's Residence Hall, located just four blocks from the Metropolitan Ballet Academy studio. Our chaperones will reside in the Hall with students, and will accompany students on the short walk to and from the studio each day (on safe, suburban sidewalks, past a lovely horse boarding farm).

Breakfast and dinner will be served in the Manor College cafeteria, and students will be provided with a bag lunch daily. Fun activities after weekday classes and on weekends may include beautiful Alverthorpe Park, located adjacent to the College, nearby walking trails, popcorn / movie night, or trips to historic Philadelphia.

Accommodations with gracious host families are available for male students. Please contact us for additional information.
